Name: _____ Contact: _____

Name: _____ Contact: _____

The following documents are required for the application:

1. Personal Statement and Background (500 word limit) - Please tell the board about yourself, why you are interested in this particular field of study and a short history of your experience(s) with birding and/or conservation.
2. Executive Summary - Please include a thorough one-page summary of your proposal.
3. Detailed Description of Objectives (500 word limit) - Please state what the objectives and goals would be under this grant and explain how they align with the [Murie Audubon Mission and Vision Statements](#). The Board of Directors will review the objectives and goals in comparison to those set forth by Murie and determine if the grant will be awarded.

Award and Presentation - Upon completion of project, a presentation detailing the project, goals reached, research methods, results, broader implications and next steps is required to be presented to the Murie membership during a general meeting which will be open to the public. Additionally, a one-page summary of expenditures will need to be submitted to the board.

Submission - Please submit the application information as a pdf document to murie@murieaudubon.org

Disclaimer: *Funding is not guaranteed upon receiving application.*
